This day 4 of July 2004**ORGEN State Hospital**

Motion For Appointment of Counsel

Respondent. **Risk Management**

subscribed and sworn to me this \_\_\_\_\_ day of \_\_\_\_\_

Dear Mesure or Madam

~~Notary Public~~ Notary Public

my commission expires \_\_\_\_\_

I have countless Records of Grievances, Sworn Affidavits  
 witnesses And Medical records from MCIS AND Grievances of the  
 neglect to listen tell Findly 2 mos Later After Misory The fine  
 give me an anti-biotic that seams to be clearing up the fungi  
 caused By that soposed Ani Allagenic ~~in block~~ that started the problem  
 I kept on requesting to see the Doctor And For 2 week Before  
 I was sent Back she could not be bothered with my complaints  
 and requests Now the Law Library was closed For near a month  
 I see the Asst once for khr she makes An appointment to see her t  
 next week and I was pulled and another taken in my place  
 I was promised and guaranteed a make up for the hour I lost  
 I was able to give Dave the Asst Documents of Regress and inguu  
 But he never responded I ask for a response Time From your  
 Legal Asst were to bily ineffective in all manners of Assistance My Cas  
 would have turn out different and pending case would not be in  
 Jeopardy if you had An Attent Law Library and effective cou
